A Soul Motion™ Dance into Radiant Empowerment

- Are you feeling dispersed or somewhat ungrounded?
- Do you feel you have an internal power source you want to access more readily?
- Would you like to feel connected and part of All Creation in your day to day?
- Do you want to move into your *total creative* intelligence, not just your mental intelligence?

COME AND PRACTICE SOUL MOTION™ WITH YUKIKO!!

In this 4 hour practice, you will discover your own empowered self through moving into the larger and creative intelligence of your entire life-system. Utilizing the physical body as the anchor point, Yukiko will guide you through various exercises and freeform movement to discover your own, unique life intelligence, and its expression.

The time is now.....to uncover and let shine your own radiant empowered Self. We need to do this for ourselves, for each other, and for all life.
